

Driving Directions to Haggar Audio from Milwaukee

We are located inside the Morgan Murphy Media Park on the west side of Madison, Wisconsin, at 7025 Raymond Road.

Follow I-94 west until it ends just west of Madison at Highway 30, then exit onto I-90/94 towards Janesville. Follow the interstate until you reach the West Beltline Highway, US 12/18. It's the last Madison exit on the interstate. Exit Westbound.

Follow the Beltline Highway until you reach Whitney Way, exit and take a left at the bottom of the ramp. Go through one stoplight, you'll be entering a residential area. Continue on Whitney Way until you reach a stop sign. This is Raymond Road, there's a strip mall at the corner. Take a right.

Follow Raymond Road...go through one more stop sign, and go up a hill. On top of the hill, on the left, is a building marked "Morgan Murphy Media Park". We are inside that building.

Should you be arriving at our studios after hours, there is a phone in the entryway with a directory directly above it. Dial the extension of the person who you are trying to reach, and they will come up to the front door to let you in.
